COMMISSIONERS

a) Discussion on the offer from Cooper Rail Service (Cooper Contracting) to grade Perry County roads with trying to get millings ready and other needed work before the weather gets bad. Cooper Contracting has offered to do this for $4,040 per mile on Canada Road. It appears that the County will have extra millings left over. RC stated that he would like to also look at Cottonwood, where there was trouble last winter, and potentially Liberty. This is contingent on the flexibility of Cooper Contracting. RC also stated that since the county has a contract with Mulzer Crushed Stone Inc, the county can have them look at delivering rock for any soft spots if found. RC asked if there were any discussions concerning accepting their offer per mile? Hearing none, RC entertained a motion to accept the offer. PJ made the motion to accept, seconded by RC. Motion passed 2-0.

The meeting adjourned at 9:32 a.m.
